## New message and user selection

When writing a new message, you can choose a particular user or the whole group.

Teachers only access to their students group (filtered by University/Company)

## Message Title code meaning (2.0 COMPLETED)

Numbers indicate the attempt and restarts respectively.

It is possible to retry any case as many times as student wants (first value increases)

Student can restart any stage at any moment, it implies to erase all data from that stage (second value increases)

The code indicates the action carried out (see table)
